Model RSS405 AlphaStatus™ 4-Color / 5-Button Remote Room Status Station

from

Choose from the wide assortment of AlphaStatus™ components that best meet your system needs

When you need a fast, flexible, non-verbal office room status system, insist on the AlphaStatus™ series, from ALPHA COMMUNICATIONS®. With AlphaStatus™ there is virtually no limit on system size and capacity, and with it's optional emergency-call, tone signaling and room signaling capabilities, AlphaStatus™ can meet your system needs.

You can choose from 2 or 4 status color systems, with a choice of 4 standard Room Status Stations. The modular AlphaStatus™ Master Stations are available in Titanium, White or Brown color, in Flush, Surface or Desk mount configurations.

Simple, low-voltage, home-run wiring makes AlphaStatus™ a breeze to install, and color-coded wiring terminals help to minimize costly wiring errors.
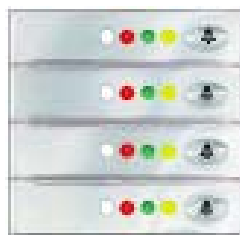

You can easily add optional voice intercom and other options, to personalize your AlphaStatus™ system, for your special office requirements. *Call us for more information today!*
