**944 Series Video Digital-Dial
Digi-Bus™ Lobby Entry Panel**

The Alpha Communications® 944 Video (Digi-Bus™) Series Digital-Dial Lobby Entry Panel is designed to call up to 1,000 of the model 940 or 7110 series (or equivalent) remote apartment handset stations.

Calling to the remote monitors is digital, with built-in electronic directory for up to 1,000 names/users and up to 16 characters each. Each 944 series panel includes a 12-button keypad, 4-line backlit LCD display indicating instructions and selected names, UP and DOWN scroll buttons, Call and Reset buttons, and protective rain hood. The 944 series panel is designed for surface mounting on the finished wall surface and is finished in natural anodized (clear) aluminum finish.
