

**TZ1003 / TZ1006  
Series Desk Adaptor  
(shown in Anthracite color  
model TZ1003A)**

## ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The desk adaptor(s) shall be Alpha®/S.T.R.™ TZ1003 or TZ1006 series, in (White, Grey, Ivory, Brown, Titanium or Anthracite) color.

Desk adaptor(s) shall have a sloped base made of high-impact ABS plastic, weighted with two (2) steel weights and provided with rubber feet, to minimize slippage.

Desk adaptor(s) shall have a color-coordinated flexible connecting cable, with sufficient number of internal wires (conductors), for the type of handset and system being used.

Contractor shall install as per manufacturers instructions, and shall observe all local and national electrical codes.

## TZ1003 / TZ1006 Series Desk Adaptors

The Alpha®/S.T.R.™ TZ1003 and TZ1006 Series desk adaptors are designed to work with all of the HT2000 and HT3000 series handsets, to allow them to mount on a desk or table top.

The TZ1003 series is designed to work with the HT333, HT2001, HT2003, HT2009, HT2011, HT3001, HT3003, HT3009, HT3011 and HT3033 series entry type handset stations.

The TZ1006/5 series is designed to work with the HT2006/5 series 5-call button type handset stations. The TZ1006/5 series is designed to work with the HT2006/10 series 10-call button type handset stations. Basically, all TZ1006 units are the same as the TZ1003, except the flexible connecting cable has more individual wires (conductors) contained in the cable.

All TZ1003 Series desk adaptors feature a sloped handset base, weighted with steel weights, rubber feet and a flexible multi-conductor connecting cable. Choose from White, Grey, Ivory, Brown, Titanium or Anthracite colors, indicated by the suffix letter(s) associated with the colors.

## FEATURES

- Easy Handset Installation
- Weighted base keep handset in place
- Rubber feet minimize handset slipping
- Available in White, Grey, Ivory, Brown, Titanium or Anthracite color

## MODELS AVAILABLE
