

TZ30WH Desk Adaptor

**(shown with VH30 Series
Video-Intercom Monitor)**

ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The video-intercom monitor desk adaptor(s) shall be Alpha®/S.T.R.™ TZ30WH, in White color.

Desk adaptor(s) shall have a sloped base made of high-impact ABS White plastic. Desk adaptor(s) shall include a wall plate and multi-pin jack for connection of the system wiring.

Desk adaptor(s) shall have a color-coordinated flexible connecting cable, with sufficient number of internal wires (conductors) and mini-coaxial cable, for the type of video monitor and handset being used. Cable shall have a multi-conductor male plug end.

Contractor shall install as per manufacturers instructions and shall observe all local and national electrical codes.

TZ30WH Monitor Desk Adaptors

The Alpha®/S.T.R.™ TZ30WH desk adaptors are designed to work specifically with any of the VH30 series video-intercom monitors, to allow them to mount on a desk or table top.

All TZ30WH desk adaptors feature a sloped monitor/handset base, a flexible multi-conductor connecting cable with multi-pin male plug end and wall connecting plate with jack. The TZ30WH desk adaptor and cable are both White color, to match the monitor and handset unit(s).

FEATURES

- Easy Monitor and Handset Installation
- Plug-in wall plate with multi-conductor male plug
- Includes mini coaxial cable inside flexible cord
