

**WINPC/TS Windows PC
with 19" Touchscreen Monitor
(shown in standard Charcoal finish)**

ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The Windows PC with 19" (actual 18.5") Touchscreen Monitor(s) shall be Alpha Communications® AlphaEntry™ model WINPC/TS, or approved equal. The WINPC/TS shall include Genuine Windows Vista® Home Premium 64Bit SP1 with an Intel® Pentium® Dual Core Processor. The WINPC/TS shall feature a 320GB 7200 RPM SATA hard drive, a built-in 1.3-megapixel webcam, 10/100 Ethernet connector, 6 USB 2.0 ports, integrated audio - stereo speakers, 7-in-1 media reader, nVidia GeForce 9200 integrated graphics, and slotload CD/DVD burner (DVD+/-RW) with double layer write capability. The WINPC/TS shall include a multimedia keyboard and optical mouse and shall be finished in the standard Charcoal finish.

Contractor shall observe all local and national electrical and building codes.

WINPC/TS Windows PC with 19" Touchscreen Monitor

The Alpha Communications® WINPC/TS Windows PC with 19" Touchscreen Monitor is used primarily with the AlphaEntry™ software to act as a Concierge or Master Station for calling to and from remote communication devices, but can also be used for other system and software applications.

The WINPC/TS is an all-in-one desktop computer that fits both the tower and monitor into a stunning, space-saving design. Featuring a decor pleasing Charcoal trim border, the WINPC/TS will fit your equipment needs, budget and building decor.

A large 18.5" w LCD touchscreen and 16:9 aspect ratio make it ideal for displaying a large amount of data onscreen, and enabling the user to choose from keyboard or touchscreen functionality.
