

**SOBPL-PLUS
Series Desk Adaptor**

ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The desk adaptor(s) shall be Alpha®/Golmar SOBPL-PLUS series.

Desk adaptor(s) shall have a sloped base made weighted with steel weights and provided with rubber feet, to minimize slippage.

Desk adaptor(s) shall have a flexible connecting cable, with sufficient number of internal wires (conductors), for the type of video monitor and system being used.

Desk adaptor(s) shall include the RCPL-PLUS monitor mounting plate affixed to the desk adaptor.

Contractor shall install as per manufacturers instructions, and shall observe all local and national electrical codes.

SOBPL-PLUS Series Desk Adaptors

The Alpha Communications®/Golmar SOBPL-PLUS Series desk adaptors are designed to work with all of the Platea and/or Tekna 'PLUS' series video-intercom stations, to allow them to mount on a desk or table top.

All SOBPL-PLUS Series desk adaptors feature a sloped base, weighted with steel weights, rubber feet and a flexible multi-conductor connecting cable.

The SOBPL-PLUS includes the RCPL-PLUS mounting bracket affixed.

FEATURES

- Easy Station Installation
- Weighted base keep station in place
- Rubber feet minimize handset slipping
