PV-295 'Rock' Series Entry Video Station

The Alpha Communications®/Golmar PV-295 'Rock' series Entry Video Station is a compact, attractive lobby/entry station to be used with **COLOR** or B&W type Platea, Tekna and/or Szena apartment video station units.

Made of curved 2.5mm thick injected aluminum, the PV-295 series features a built-in hi-resolution adjustable pan type B&W (PV-295 series) or Color camera (PV-295 COLOR series) with electronic iris and infrared illuminators (for night vision). The PV-295 series includes heavy-duty metal call pushbutton switches (flushed with the panel and electrically isolated) and built-in polycarbonate nameholder display assemblies.

The PV-295 series comes with the CEV-925 (or equivalent) flush back box and up to 8 pushbuttons.

FEATURES

- Heavy-duty metal call buttons with nameholder assembly
- Rugged curved 2.5mm thick injected aluminum
- Built-in hi-resolution adjustable pan type B&W or Color camera with electronic iris
- Built-in infrared illuminators (for night vision)
- Standard Brown Anodized finish
