**WINPC/TS23 Windows PC with 23" Touchscreen Monitor in full 1080p HD**

## ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The Windows PC with 23.0" Touchscreen Monitor(s) shall be Alpha Communications® AlphaEntry™ model WINPC/TS23, or approved equal. The WINPC/TS23 shall include Genuine Windows 7® Home Premium 64Bit with an AMD® Athlon™ II X2 250U Processor. The WINPC/TS23 shall feature a 500GB 7200 RPM SATA hard drive, a built-in 2.0-megapixel webcam, 10/100 Ethernet connector with built-in Wi-Fi, 6 USB 2.0 ports, integrated audio with 2- 4W stereo speakers, 7:1 media card reader, ATI Radeon HD4270 integrated graphics, 8X CD/DVD burner. The WINPC/TS23 shall include a wireless multimedia keyboard and optical mouse and shall be finished in the standard Black color.

Contractor shall observe all local and national electrical and building codes.

## WINPC/TS23 Windows PC with 23" Touchscreen Monitor

The Alpha Communications® WINPC/TS23 Windows PC with 23" Touchscreen Monitor is used primarily with the AlphaEntry™ software to act as a Concierge or Master Station for calling to and from remote communication devices, but can also be used for other system and software applications.

The WINPC/TS23 is an all-in-one desktop computer that fits both the tower and monitor into a stunning, space-saving design. Featuring a decor pleasing Black finish, the WINPC/TS23 will fit your equipment needs, budget and building decor.

A large 23.0" w LCD touchscreen and 16:9 aspect ratio make it ideal for displaying a large amount of data onscreen, and enabling the user to choose from keyboard or touchscreen functionality.
