3946C COLOR VANDAL SECURITY DIGIBUS 8 DIGIT VIDEO ENTRY PANEL

The Elvox® Galileo Series Vandal Security Panels are designed to be durable and aesthetically pleasing. The 3946C is modular allowing 3A1N directory components to be combined horizontally or vertically to create a panel for use in buildings with any size directory needs. Constructed of cast aluminum, the 3946C is rated to the international IP45 vandal-resistance rating. A built in 8 digit LED display provide positive readout of entered code. The 3946C comes complete with camera/speaker/mic and integral white LED illuminator. Optional recess mounted backboxes (320S) or surface boxes with rain hood (330P, 332P, 333P)

General information Specifications

- Vandal resistant IP45 rated
- Recess mount with 320S backbox
- Surface mount with 330P, 332P, 333P backbox/rainhoods.
- Vandal resistant keypad
- 8 Digit LED Readout
- 320S backboxes can be ganged together vertically and horizontally for larger panels
- Cast aluminum construction
- Includes crystal clear Speaker/mic
- Includes Hi resolution Color Camera with white LED illuminators
